History is the essence of all mankind. It is from whence we came. Let us then look to the past and learn from it. Thus we present our theme. . .

I have but one lamp by which my feet are guided, and that is the lamp of experience. I Know of no way of judging of the future but by the past.

-Patrick Henry

Each new season grows from the leftovers of the past. That is the essence of change, and change is the basic law.

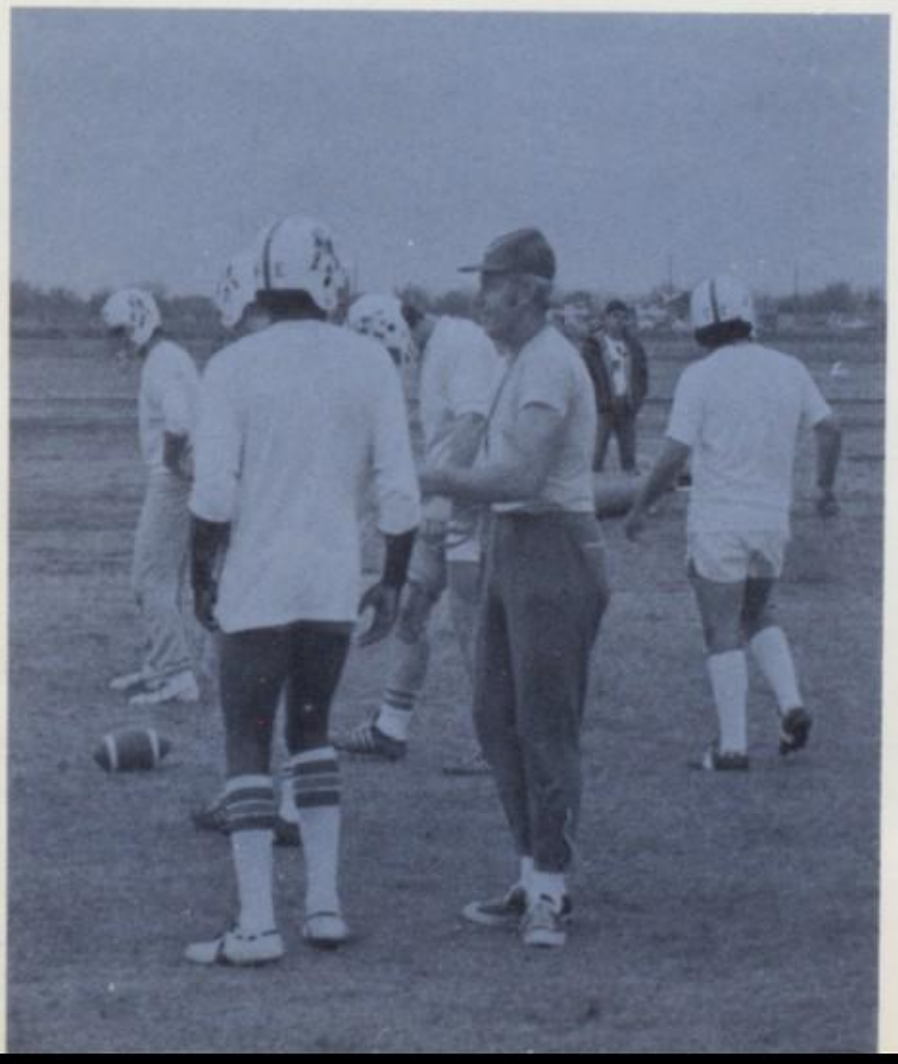
-Hal Borland

Co-head of the rapidly expanding science department with its myriad of display cases crawling with living representatives of the world around us, Don Curry is pictured in the way he is most often found in the classroom, working with students. And that's what he does-after school and summertime too. Mr. Curry is the student liazon into the world of science.

In his and the school's first year, Bob Casci took 15 boys and put together Beyer's first championship team. Waterpolo practice meant many 6:30 a.m. practice sessions that paid off. In its first year of competition, Coach Casci's squad took first in the section. This year they went all the way to third in the state and are looking ahead to next year.

In Recognition . . .

If a football team's win-loss record reflected its coach's ability and devotion, Dean Laun's team would have shut out every opponent it met. Head varsity coach Laun's selfless hours of sacrifice and understanding for everyone involved in his football program should have earned him "Coach of the Year" accolades for high schools in America.



For his work in bringing the modular scheduling to Beyer, for the after class hours he logged composing a winning sophomore football squad (7-2-1), not to mention heading up the social sciences dept. with its 320 separate offerings-the '74 Stars and Stripes recognizes Harold Crumpley.

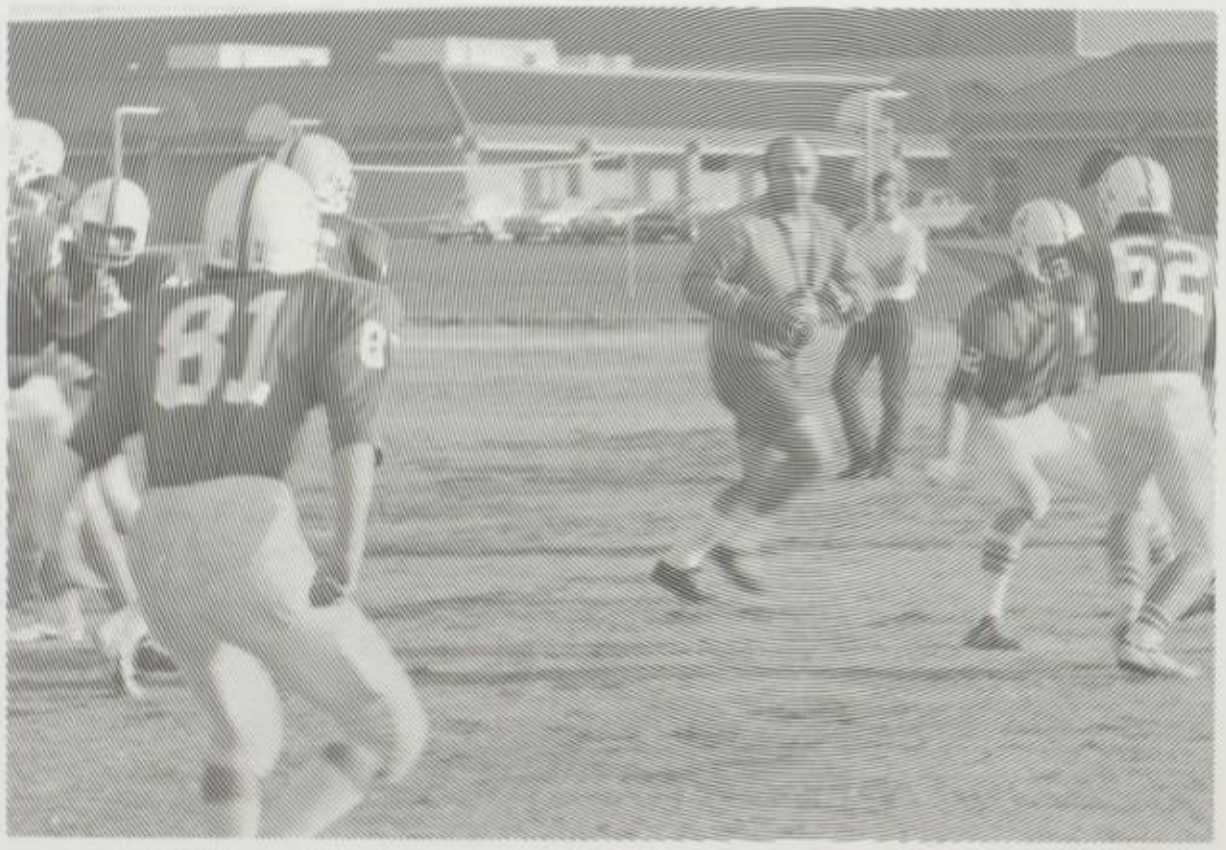
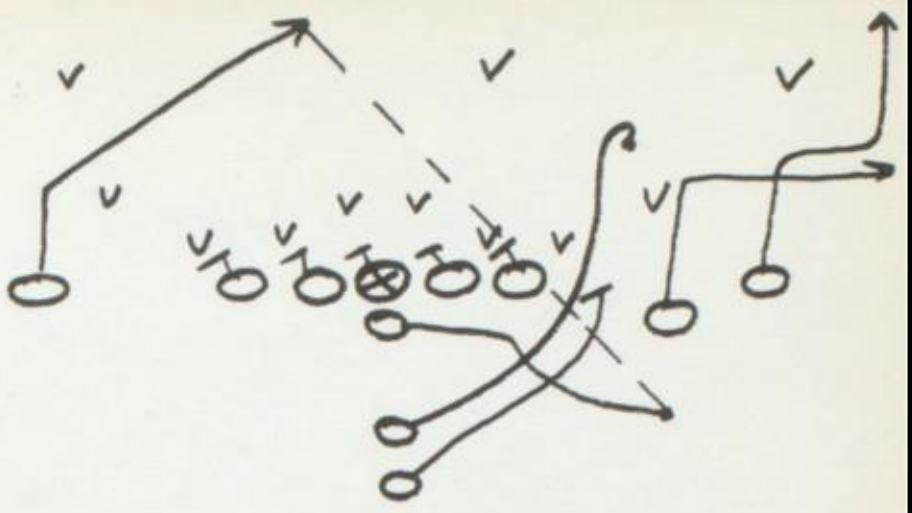
There are many things about the Varsity Football team that go virtually unnoticed by the average Patriot Fan.

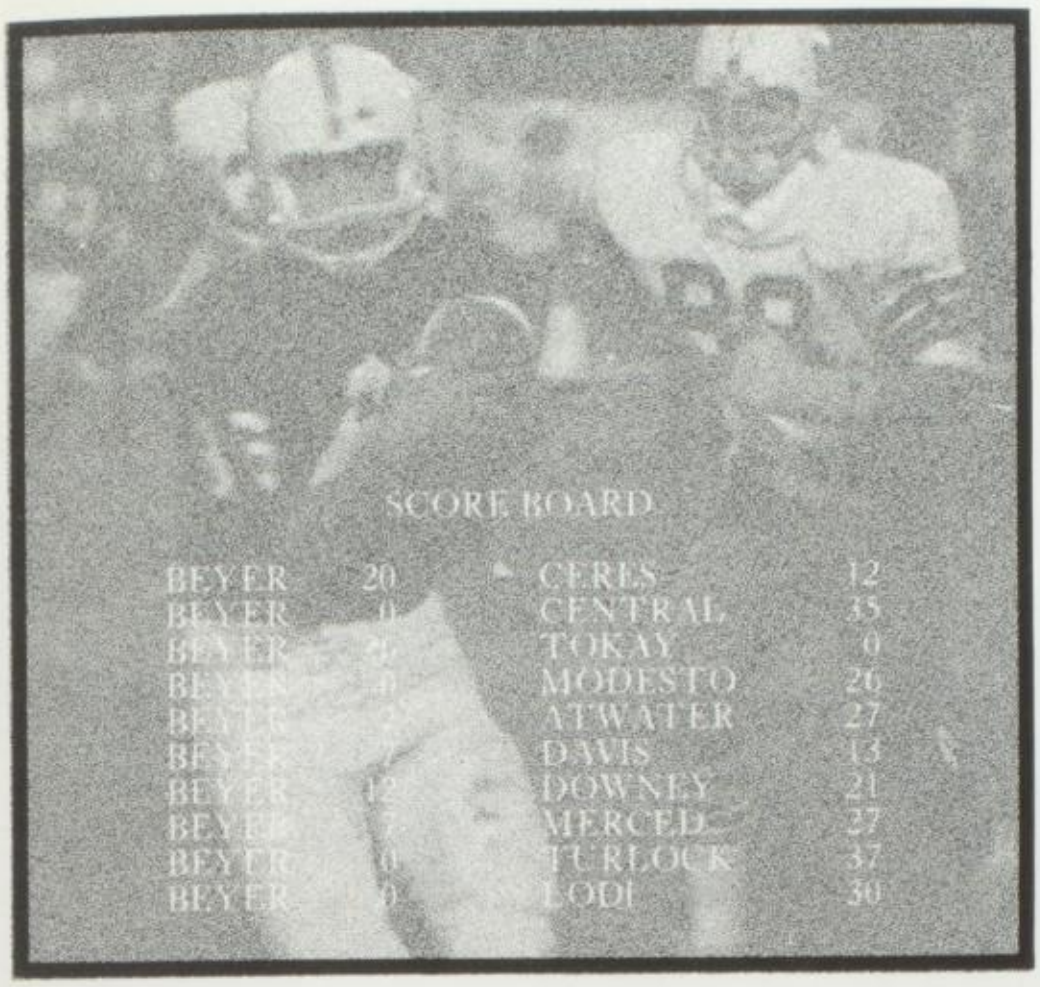
Have you ever run sprints in 100 degree heat? Or frozen on the bench on a cold night in Merced? There is a group of players who have done all of this and more. They are commonly called subs. You usually can find these guys on the bench freezing, or sweating, depending on the weather conditions. They ran, worked, and practiced just as hard as the starters, yet did not get many opportunities to play on Friday nights.

The starters Friday evenings weren't so glorious either.

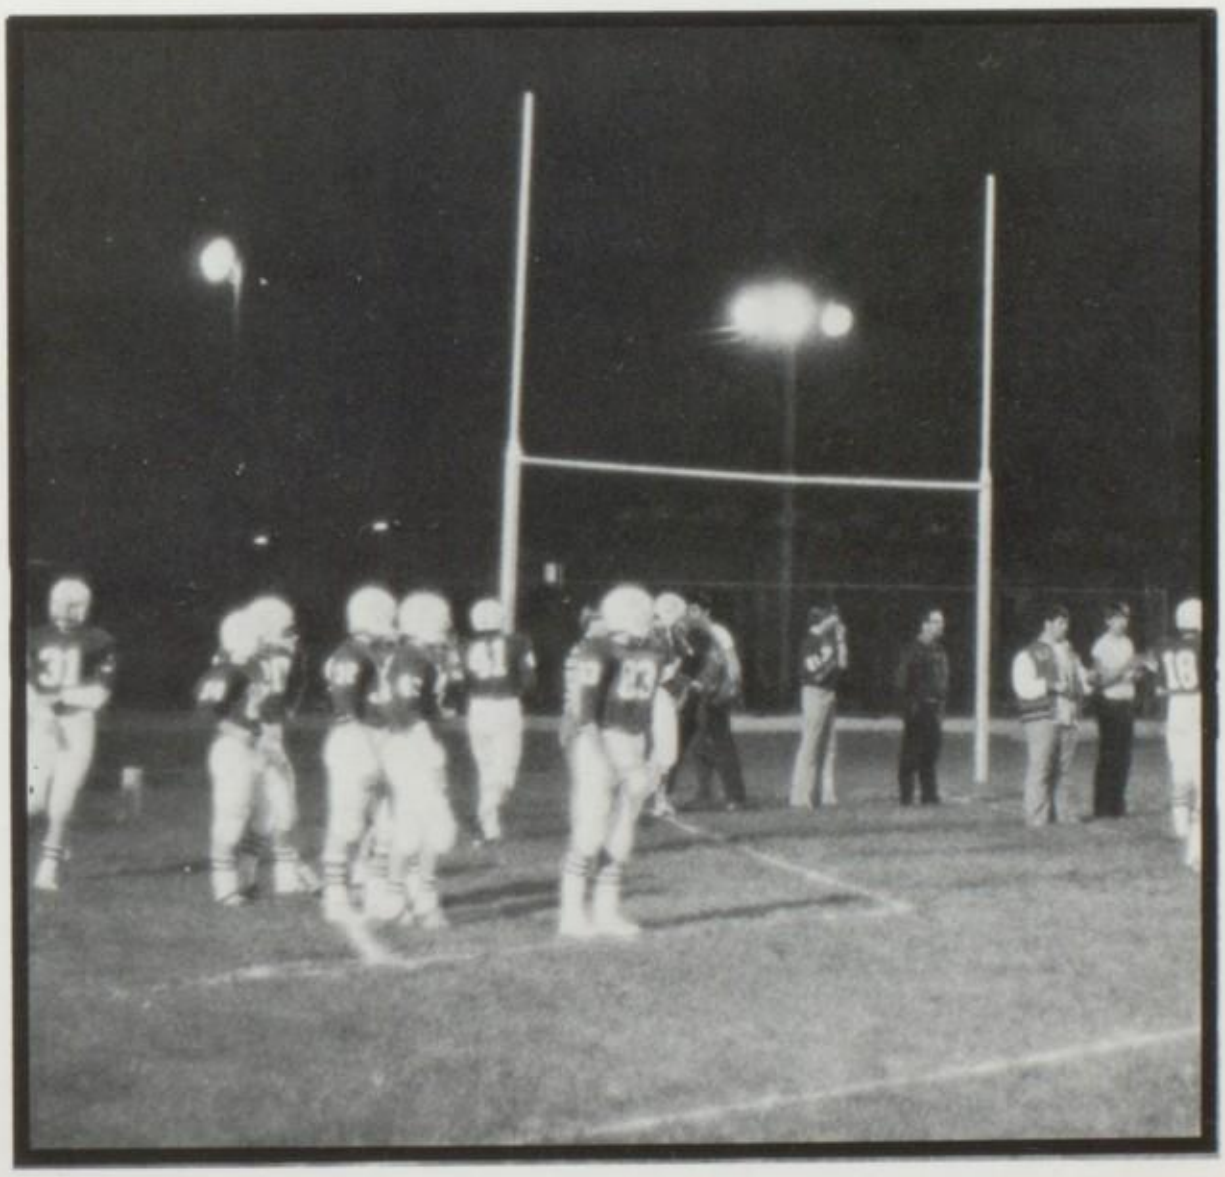
Have you ever tried to block a 6-4, 250 pound defensive tackle? Or tried getting sacked eight times in one night? It doesn't feel very good. Any football player will tell you that you have to sacrifice to play football.

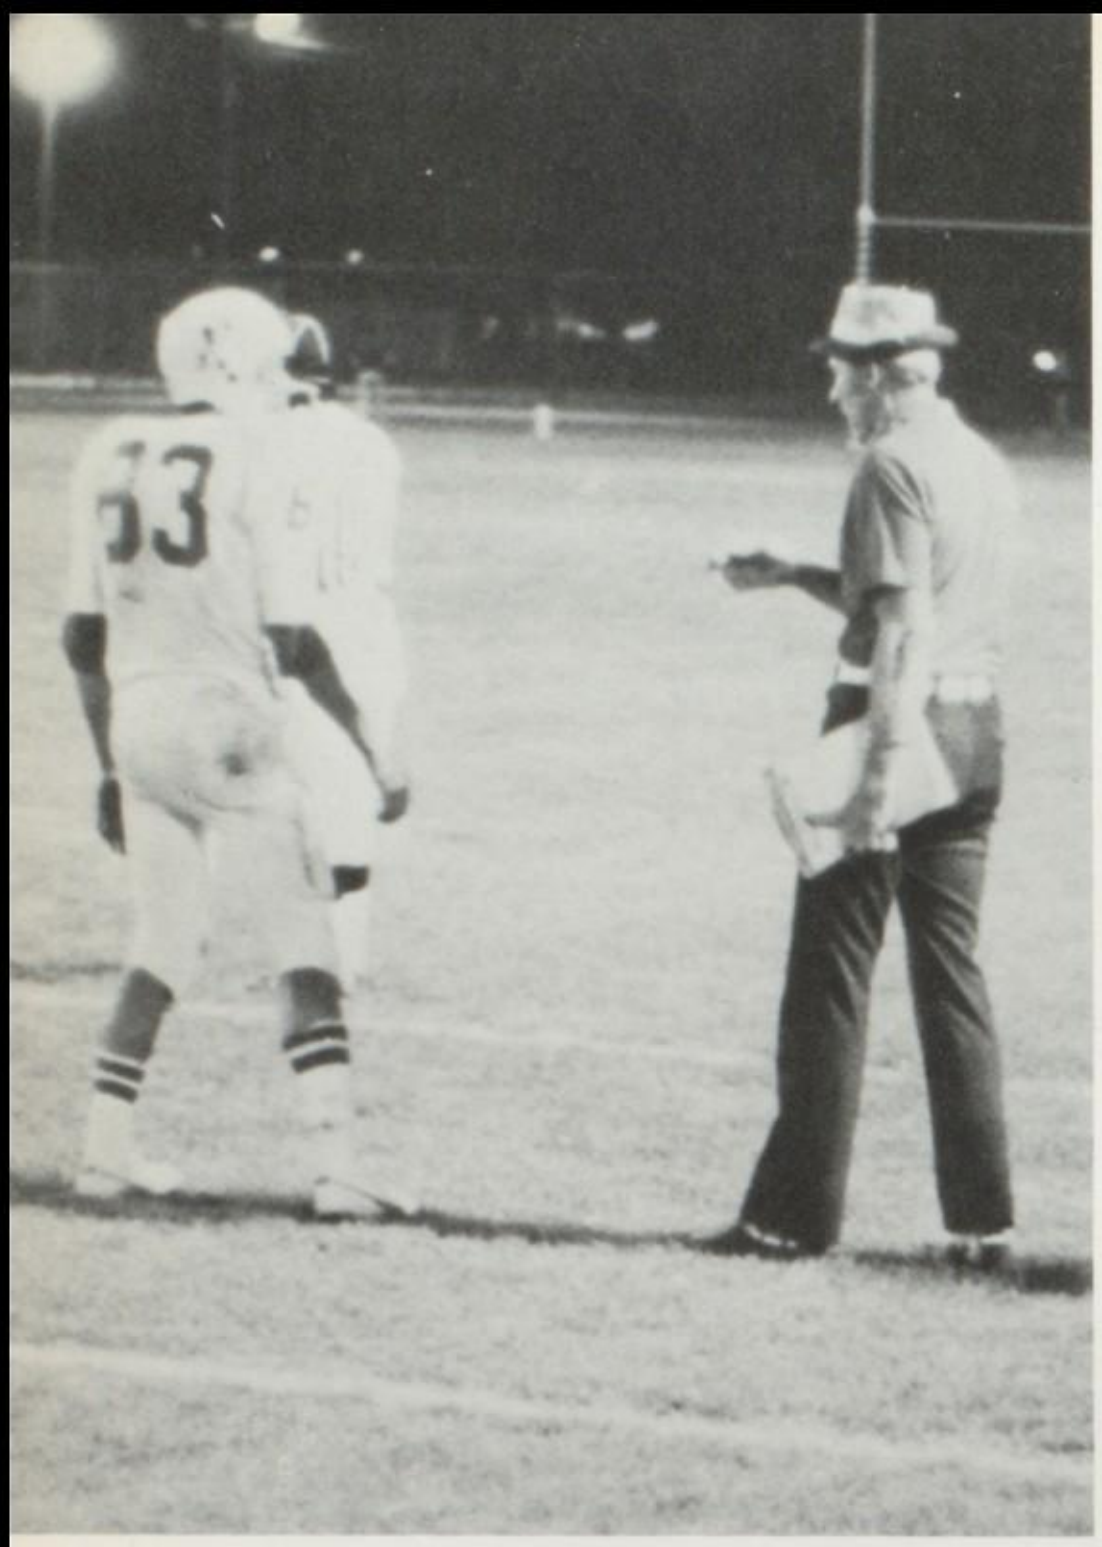


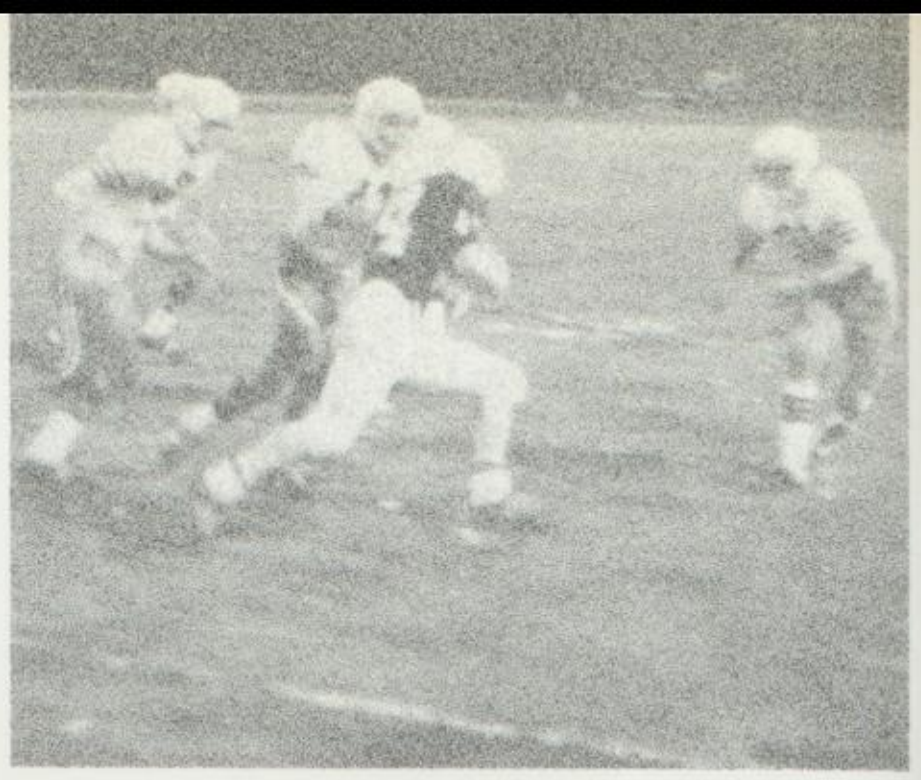




(Top Rt) Just one of Coach Dean Laun's many offensive plays. (Above Rt) Dave Sundy and Greg Shinkwin pause while looking for someone to block. (Rt) The Patriots loosen up before the game by throwing passes (Below) Senior Pete Schuster puts a move on Downey's Jeff Truesdail.







(Above) Coach Laun gives some last minute instructions to defensive Co-Captain Ken Montero. (Above Rt) Senior Glenn Yarnell runs for daylight against the tough Downey Knights. (Below) Gerald Goren and Mike Jackson stack up a Turlock ball carrier while Brad McBride, Ken Montaro, Hank Boar and Dave Sundy converge.

In Beyer's first Varsity Football game ever, the Pats brought home a 20-12 victory, after being out-played by the Ceres Bulldogs. In game number two the Pats went into the game heavily favored, but came out on the short end as the much under-rated C.C. Raiders trounced the Junior laden Patriots, 35-0. In the Patriots only other winning effort of the year, the Pats dominated the hapless Tokay Tigers. Ken Montero and Jim Nard highlighted the scoring for Beyer. Our team was proud of their record going into conference play. Then inconsistency set in. The Pats looked good in a 26-0 loss to the tough Modesto Panthers. Then we were dominated by the Atwater Falcons. They came back the next week with a very tough defensive game against Davis, finally losing 13-7. The Patriots peaked out against the "Mighty Downey Knights" but lost 21-12 in a see-saw contest. In the weeks to follow it was downhill for the Pats for the rest of the season. The season closed out with losses to Merced 27-7, Turlock 37-0, and Lodi 30-0. Coach Laun thinks the future is very bright as the up-coming Sophomores should bolster the squad along with the 32 Juniors returning next year.

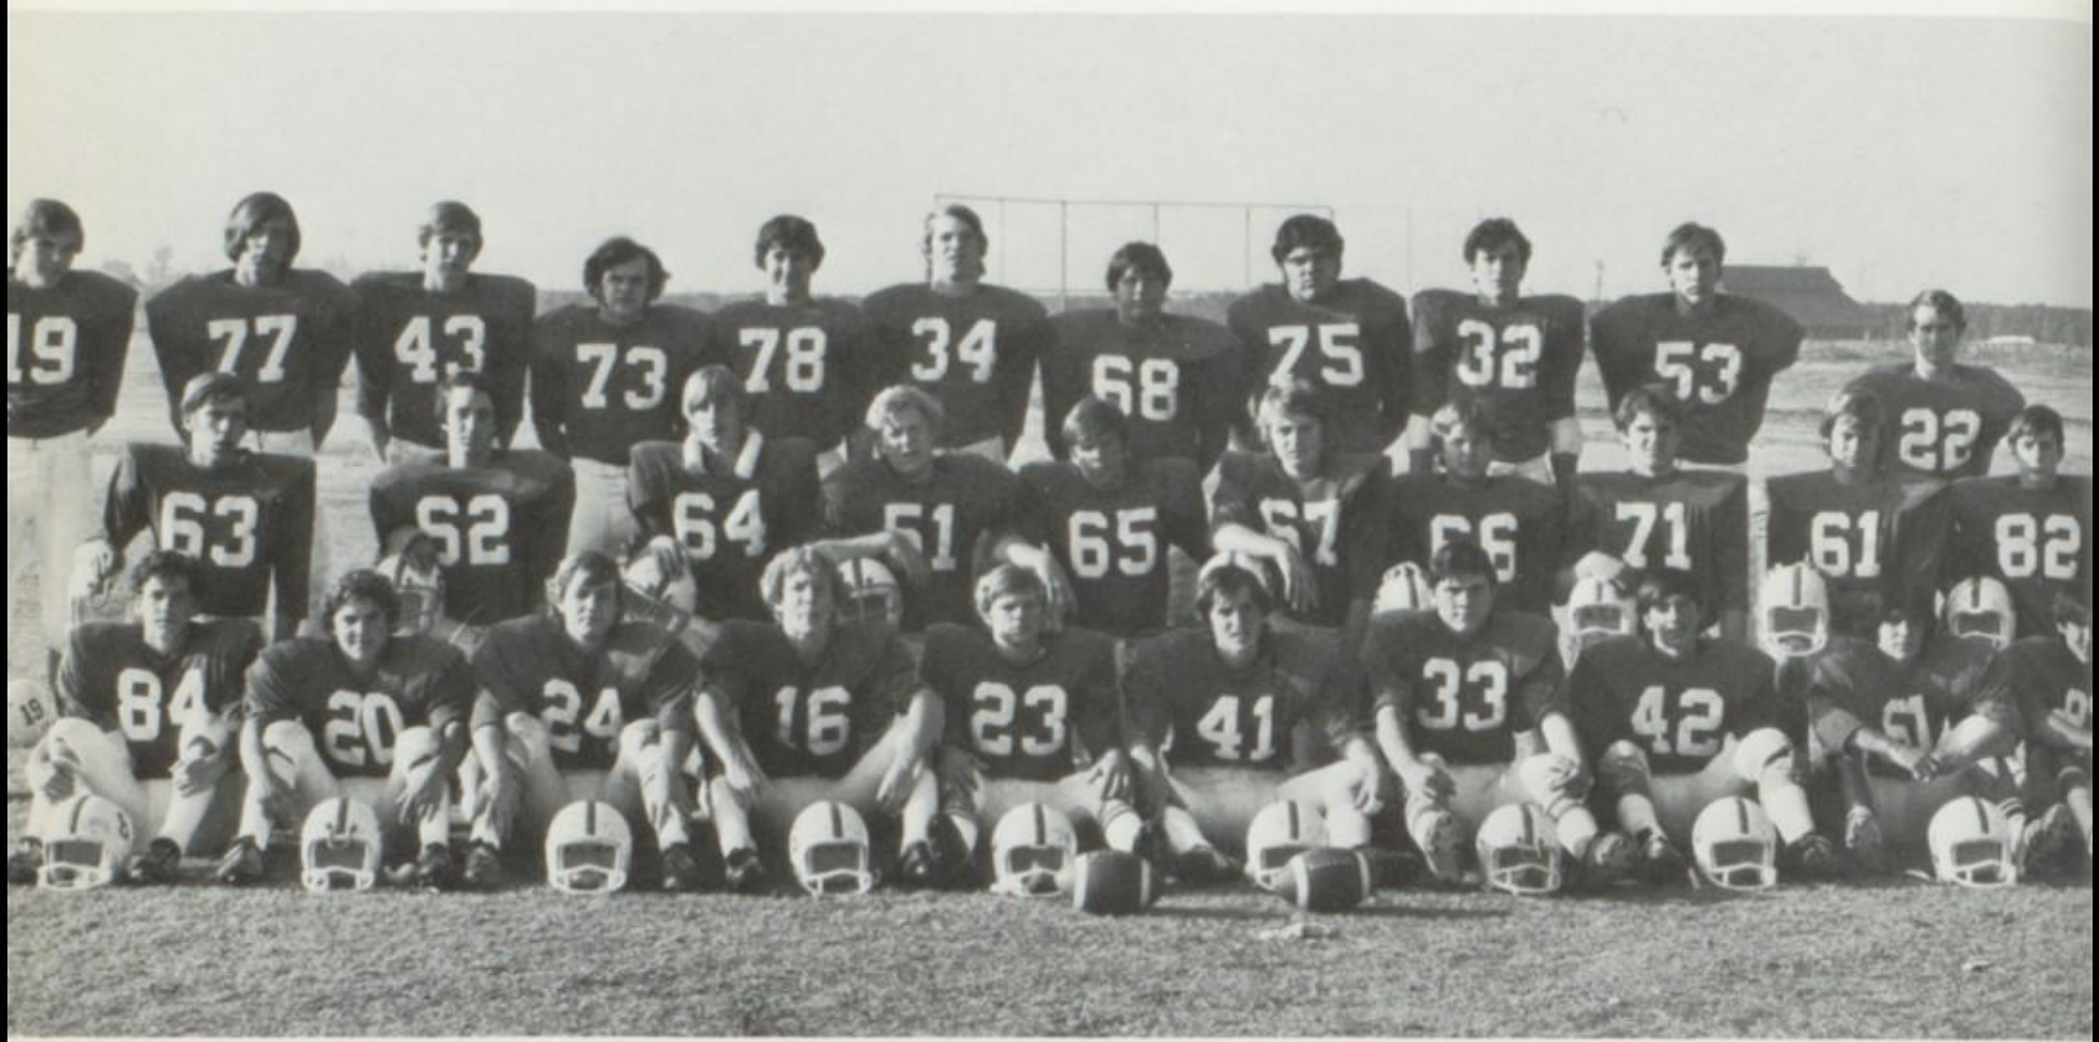
1973 Sophomores



Bottom-(l-r): Brian Jennings, Scott Nyegaard, Dave Ollar, Rob Chappel, Jim Sattewhite, Roger Altadonna, Dave Strade, Wally Conmy, Doug Berbena, Art Cantu, Middle-(l-r): Skip Starring, Rock Shadbolt, Greg Hazen, Mark Stone, Jerry Semone, Curt Greening, Todd Dolmel, Ed Gohring, Wayne Seacrest, Ray Groves. Sophomore football had a very good year. When they won, they won in an impressive fashion. But when they lost, they really lost. The two games they lost were by a total of 55 points. They tied one game with Atwater with a high score of 0-0. They started off the season in good fashion by ending Ceres' hopes of an undefeated season by posting a 29-12 victory. They then beat Central by 32-7, Tokay 6-0, and Modesto 21-8. Then they wrecked their perfect record by tying Atwater 0-0. Then Davis really demoralized the Sophs by beating them 55-13. They got back to their winning ways the next week by beating Downey 18-6. They then suffered their second loss at the hands of the Merced Bears, 13-0. They then finished out the season with wins over Turlock 21-8 and Lodi 12-3. Coaches Rick Chipponeri and Harold Crumpley did an outstanding job with the team this year. With these Sophomores joining most of the Varsity next year, the other schools in the CCC beter start praying.

Doug Burke, Steve Snider, and Bill Lee accept the tournament trophy.

Brian Jones takes a rareback shot.

The Beyer High Water Polo Team was one the whole school was proud of. During the '73 season they were ranked as the number one team in the San Joaquin section and compiled an undefeated record in Section play. They were rated third in Northern California behind Buchser and James Lick. In tournament play they lost to James Lick not getting a chance at their long time rivals, Buchser. Standouts included Kurt Weinheimer, Steve Snider, Doug Burke, Bill Lee, Cliff Lowell, and Steve Peck.

Bill Lee creates a large splash.

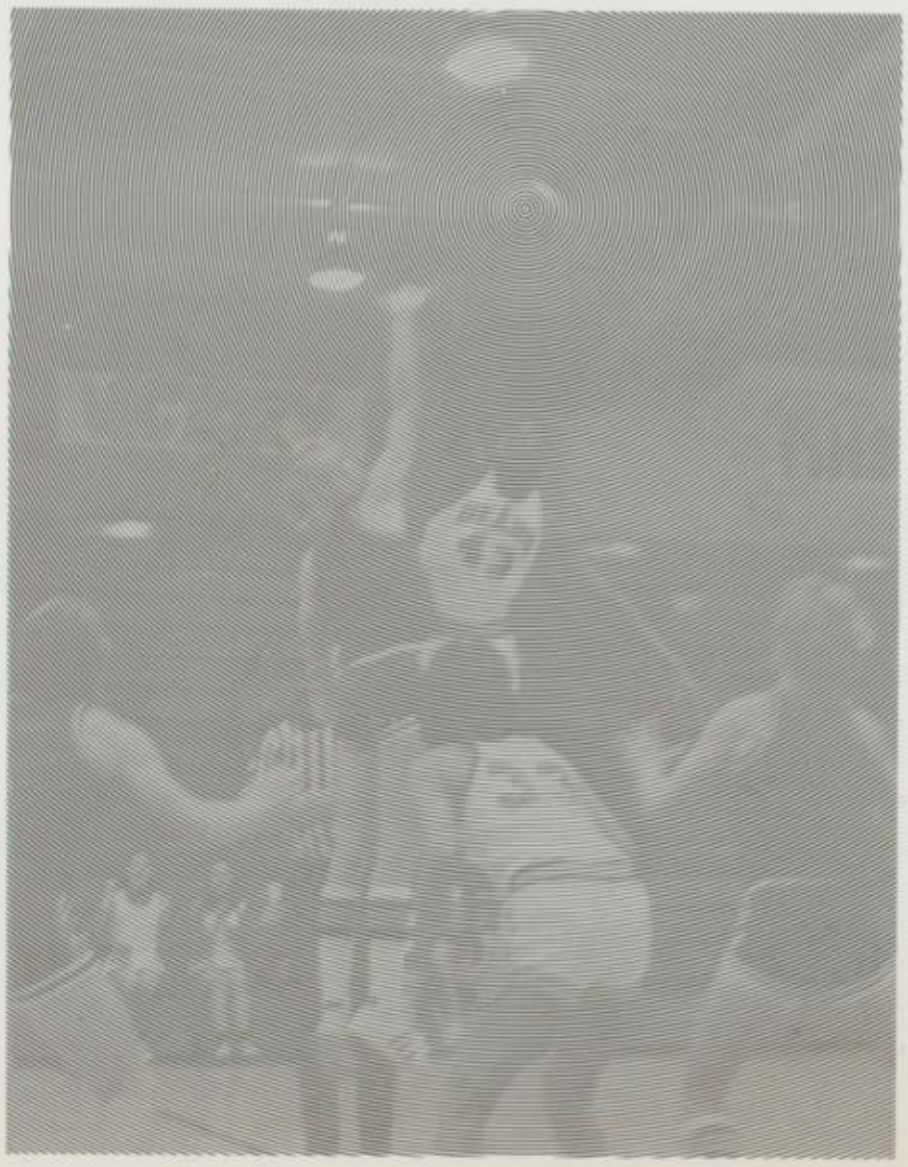
Sophomore Basketball got off to a fine start. They won the consolation at the Modesto City Tourney. As the league season started, it looked as though the Sophs. were going to be contenders for the C.C.C. title. Then a strange thing happened to the team. They started losing games by one point. This wouldn't have been so bad had they only lost one or two games by such a close score. As time went on, completely un-true rumors were going around that the soph "choked." The Sophs. didn't choke, they simply let down in the final minutes of the games in which they lost by one.

Who gets the ball at the start of the game? That is why the centers jump at the start of the game.



FRESHMAN BASKETBALL

(Front Row) Tim Lambert, Mgr., Steve Keller, Tim Eiland, Tom Miller, Marle Thorson, Don Bill, Steve Mello.

The Frosh Basketball team was divided into two teams, the A team and the B team. The A team was led by Jim De Brao posting an outstanding record of 11-4. The B Team posted a record of 7-8 in season play. Both teams were coached by Nick Chipponeri an outstanding Athlete in his time and a Fantastic coach today.

This year the Beyer Varsity Wrestlers did not post an outstanding season record. Nevertheless the individual effort deserved recommendation. The Varsity consisted mainly of Juniors & Sophomores taken from J.V. Team with two Seniors & two Freshmen each also. Future Varsity Wrestling looks promising as there are a number of ourstanding underclassmen.

How many people do you know that can hit a ball that is coming at them at velocities in excess of sixty miles an hour? And to make it more difficult, hit it into a relatively small area, with a round stick? Well, there is a group of guys here at Beyer that can do all of that and accomplish even more fantastic feats, like throwing a baseball sixty miles an hour, running a hundred yards to catch a ball that has already traveled three hundred feet. Our baseball players deserve credit for excelling at a difficult and grueling sport.

Coach Holmes

The 1974 Frosh team played a successful schedule. They featured strong fielding and good timely hitting. Outstanding prospects such as Dave Hamilton, Scott Worthington, Dave Armandariz, Mike Parker, Scott Kerr, Robert Ayers, Mike Banda, George Brown, and others should help the future baseball program at Beyer.

Mr. Ewert has devoted all of his free time to the organization of the team. His expert coaching has led the team to many victories.

Soccer is not yet an official school activity. The games are organized between the players of each of the high school teams. Tournaments are also organized on weekends and the winning school is awarded a trophy. The team from Beyer has played in only one tournament in which they lost, however, Ted Bert and Celso Vigil were awarded the most valuable defensive and offensive players. A soccer club has been organized to help raise funds for uniforms, equipment, and tournament entrance fees.

Some of the team members confer with Mr. Ewert about a new plan of strategy. They rely on their coach for advice when the chips are down.

The four players at the right practice their ball manuvering talents.

The Beyer track team is expertly coached by Mr. Ray. He is well experienced and also holds state track records.

Pat Maxwell takes an aggravating second place at the Davis meet. He later went on to improve his time and returned to win first place.

The Beyer track team has done extremely well this year considering that they are such a small team. Included with the traditional running events are the less respected field events. These are very important for the accumulation of points necessary for winning a meet. Here Vernon Lahman excellently demonstrates the art of putting the shot.

Tennis, like Golf, Water Polo, and Swimming was one of Beyers strong points in sports, and of these points Tennis would have to rate number one or two. One of the reasons why Beyer was great was that we possesed some of the best players in the league. Mark Nicolson, Lisa Nard and Jerry Wienburg to name just a few. Another reason was the fine coaching of Dean Laun.

GYMNASTICS

In Competative Gymnastics, the season is divided into two parts. One-Compulsory meets which run from November to January. The same routines are used throughout the U.S. at Novice, Beginner, and Intermediate levels. The girls must compete all around: bars, beam, vault, and floor exercises. They compete at local levels and then can qualify up to state level meets in compulsory. Two-Optional meets run from February to March. The girls create their own routines. The competition is mainly at the local level, but they may compete at state level if they qualify in compulsory meets in the fall.

SONG

SPIRIT

This year the Sophomore SPIRIT really out did itself. At the Football games and Basketball - games you could see rally girls jumping up and down yelling and screaming for their Soph. team. At rallies the Soph. rally girls sat right behind their SPIRIT leaders and made the gym roar with SPIRIT and CLASS.

"BUTTERFLIES ARE FREE"

Butterflies Are Free was a sparkling success. Heralded by many as a brilliant production. Paul F. Tischer Produced and Directed the production and his guinus enhanced the final outcome immensely. Special recognition goes to the M.H.S. Stagecraft class for Production assistance.

(Top rt.) Patty Burgi played the part of Jill Tanner, an actress, who is fighting with herself about loving a blind person or running away from the responsibility that goes with love (Below) Martin Garrison turned in an outstanding performance as Don Baker, a young man who is blind, and trying to make it on his own. (Below rt.) Mrs. Marilyn Birt played the part of Mrs. Florence Baker, Don's Mother. Mrs. Birt has been featured in several productions recently. Doug Hazen rounded out the cast in the role of Ralph Austin, Ralph offers Jill an excuse to leave Don.

Drill Team

Meri Brooks, (capt.) Marlene Greenwood, (capt.) Zada Gover, Cheryl Greenwood, Vicky Scudder, Anny Schomberg, Vicky Hendrickson.

The drill team marched with the marching band during football season then when it was over they just started practicing for competitions that they were going to. There were only 4 girls left in after marching season too. At the Ygnacio State Festival they received a 3rd place trophy, this was the 1st trophy for the group, but not the last.
